No. 49.—The following notification of the Government of India is republished :—

HOME DEPARTMENT.

New Delhi, the 25*th February* 1935

No. F. 314/34-Police.—His Excellency the Viceroy and Governor-General of India has been pleased to confer the Indian Police Medal on the following officer :—

Name of officer and rank and statement of services for which the decoration has been conferred.

MADRAS PRESIDENCY.

Angamuthu Servai Rangayya Servai, Head Constable.—On the 26th December 1934, Head constable Angamuthu Servai Rangayya Servai noticed three persons walking along a tank bund, one of them carrying a double barrelled gun, and asked the armed man about his gun licence. As he approached one of unarmed men seized the gun from his companion and levelled it at the head constable, but the latter without hesitation rushed under his weapon and grappled with him. In the struggle that ensued the contestants fell one over the other into the water, but the head constable hung firmly on to the gun in spite of his adversary who pulled out a knife and making desperate efforts to use it. The timely interference of a villager settled the matter. With his assistance and after a prolonged struggle the offender was secured with his weapons. He turned out to be a dangerous character, wanted for murder and other serious crimes in the Tinnevelly district. The gun was an effective weapon loaded with two bore cartridges. In tackling this desperate armed offender the head constable showed presence of mind, quick decision and gallantry of a high order.

N.B.—The award is made for gallantry under regulation (d) (i) of the rules which govern the grant of the Indian Police Medal and carries with it the special allowance admissible to officers of and below the rank of Inspector of Police.

(a) to issue to the applicant a duplicate bond with coupons, and

(b) to pay the amount of any coupon which may be due :

Provided that, if the date on which the bearer bond is due for repayment falls earlier than the date on which the period of six years prescribed in this rule expires, the Controller of the Currency shall, within six weeks of the former date, invest the amount of the bond in the Post Office Savings Bank, and shall repay this amount, together with any interest which may have accrued thereon in such Bank, to the applicant at the time when a duplicate bond would otherwise have been issued.

29. Where the coupons only of a bearer bond are reported to be lost, stolen or destroyed, the Controller of the Currency shall, on the expiry of two years from the date of the last notification prescribed in rule 26, if *prima facie* grounds exist for believing that the coupons have been lost, stolen or destroyed, and that the claim of the applicant is just, cause the particulars of the coupons so lost, stolen or destroyed to be included in a list such as is referred to in sub-section (3) of section 10 of the Act, and shall pass a provisional order requiring the Public Debt Office, on the expiry of six years from the date of publication, as hereinafter provided, of the list in which the lost, stolen or destroyed coupons are first included and on the execution of an indemnity bond taken for twice the value of the coupons due for payment and unless reasons to the contrary appear (in which case the matter shall be referred back to the Controller of the Currency)—

(a) to issue to the applicant a duplicate bond with coupons, and

(b) to pay the amount of any coupons which may be due.

30. A provisional order passed under rule 28 or rule 29 shall, on the expiry of the six years referred to in those rules, become final :

Alteration of order, etc.

(2) If the application asks for inspection of a security which has been cancelled on payment of the amount due in respect thereof, it shall be referred to, and disposed of under the orders of, the Controller of the Currency.

Provided that if the security has been cancelled on payment of the amount due in respect thereof, no copy of any indorsement thereon shall be granted which purports to give a title subsequent to the termination of the applicant's interest in the security.

(4) The Public Debt Office may, under a special order of the Controller of the Currency, supply any information regarding a security referred to in clause (3) which is directed to be supplied by such an order.

43. (1) Every applicant shall before any information is supplied to him under rule 41 or rule 42 pay a fee of Rs. 1 for each security in respect of which any information is supplied and shall execute a bond of indemnity as nearly as may be in Form XII for twice the value of the security or securities involved and the interest paid thereon since the date of issue.

Fee.

THE SCHEDULE REFERRED TO IN THE FOREGOING BOND

C. E. JONES,
Secretary to Government.

"Double the amount of the notes and interest paid, thereon since the date of issue. (In the case of I. G. Bonds taken from any person only.)

Here state in what capacity claims to the notes is made. Set out representation made concerning the notes.

Fort St. George, February 7, 1935 (G.O. No. 74, Finance).

No. 41.—

Under rule 5 of the Madras Leave Rules, the Fundamental Rules as issued and amended from time to time by the Secretary of State and the subsidiary rules as issued and amended from time to time by the Local Government, shall, in so far as they are not inconsistent with the provisions of the Madras Leave Rules, apply to all persons to whom the latter rules apply in respect of matters not dealt with in those rules. In G.O. No. 251, Finance, dated 23rd April 1934, the Government have already issued certain instructions to meet the difficulty that might arise in the application of the Fundamental Rules and the subsidiary rules thereunder to persons coming under the Madras Leave Rules. It was also stated in that order that consequential amendments to the rules would be made in due course.

2. When a revision of the Fundamental Rules is undertaken as a consequence of the issue of the Civil Services (Classification, Control and Appeal) Rules, the intention is that the rules in the Fundamental and subsidiary rules which are applicable to the Secretary of State's Services and those which are applicable to the services under the rule-making control of the Local Government should be collected in separate codes of rules and that the Madras Leave Rules, 1933, may then be included in the code of rules for the services under the rule-making control of the Local Government. It is also proposed then to make the revised leave rules self-contained. Thus, ultimately, in addition to the rules for the Secretary of State's Services, there will be, in respect of the personnel under the rule-making control of the Local Government, two separate sets of rules—each complete in itself—one for personnel governed by the existing rules and the other for personnel to whom the Madras Leave Rules, 1933, are applicable. This will take some time, and until self-contained sets of rules are promulgated, difficulties may arise in applying some of the

Fundamental Rules and subsidiary rules to the personnel subject to the Madras Leave Rules, 1933. A separate set of amendments to the Fundamental Rules and subsidiary rules applicable to this personnel will complicate matters and it has been decided therefore that the following procedure should be observed in regard to matters not covered by the Madras Leave Rules, 1933.

3. The leave rules in the Fundamental Rules and the subsidiary rules thereunder fall under the following three categories:—

(i) General rules relating to leave on average pay, half average pay and quarter average pay and extraordinary leave;

(ii) Rules permitting certain additional kinds of leave in special circumstances, e.g., Special Disability Leave [Fundamental Rules 83, 83-A, and 83-B], Study leave [Fundamental Rule 84], Maternity leave [Subsidiary rules under Fundamental Rule 101 (a)], and Hospital leave [Subsidiary rules under Fundamental Rule 101 (b)]; and

(iii) Special rules relating to the grant of leave to persons belonging to a special department or rendering a special kind of service, e.g., leave earned by part-time service [Subsidiary rules under Fundamental Rule 103 (c)], and leave to military officers in temporary civil employ [Fundamental Rule 100].

The rules in category (i) correspond to the Madras Leave Rules, 1933, and they are therefore wholly superseded by these rules. The rules in category (ii) as well as the leave procedure rules continued partly in the Fundamental Rules and partly in the subsidiary rules issued and amended by Local Government from time to time and rules relating to travelling allowance to Government servants taking short leave before joining a new post are 'other rules' mentioned in paragraph 1 of G.O. No. 251, Finance, dated 23rd April 1934. The special rules referred to in category (iii) above remain in force and persons governed by them do not come under the Madras Leave Rules, 1933.

The Government have considered the question of the difficulties that are likely to arise in the application of categories (ii) and (iii) of the rules mentioned above to persons governed by the Madras Leave Rules and have decided to issue the following detailed instructions to meet such difficulties.

4. *Cases falling under category (iii) in paragraph 3 above—(a) Leave earned by part-time service.*—Subsidiary rules under Fundamental Rule 103 (c) regulate the grant of leave to Law officers and other part-time Government servants. Under these rules, subject to condition that no extra cost is caused to Government, the above officers and Government servants may be granted leave not exceeding that admissible to full-time Government servants. The amount of leave admissible to persons appointed to these posts on or after 4th September 1933, will be that admissible to full-time Government servants under the Madras Leave Rules, 1933, subject to the existing condition that no extra cost is caused to Government by the grant of such leave.

(b) *Military officers in civil employ.*—In the case of new entrants coming under Fundamental Rule 100, the limit of four months in clause (a) of the rule should be interpreted to mean only 'earned leave not exceeding 90 days,' inclusive of the privilege leave which was due to the officer on the date on which he became subject to Fundamental Rule 100, and the provision contained in the provisos to rule 8 (i) and 8 (ii) of the Madras Leave Rules, 1933, would apply.

5. *Cases falling under category (ii) in paragraph 3 above—(1) Maternity leave—Subsidiary rules under Fundamental Rule 101 (a).*—(a) The term 'leave on average pay' in subsidiary rule 1 shall be taken to mean 'leave on full pay'.

(b) Subsidiary rule 2 provides for the grant of any other kind of leave in continuation of maternity leave if the request for its grant is supported by a medical certificate. Similarly, in the case of persons coming under the Madras Leave Rules, 1933, the requirement of a medical certificate should be satisfied before leave is granted in continuation of maternity leave.

(2) *Hospital leave—Subsidiary rules under Fundamental Rule 101 (b).*—Under subsidiary rule 3 under Fundamental Rule 101 (b), the leave salary during the hospital leave is 'half average pay'. In the application of these rules to persons coming under the Madras Leave Rules, 'Leave on half average pay' shall be taken to mean 'Leave on half pay'.

(3) *Special disability leave—Fundamental Rules 83, 83-A and 83-B—(a) Fundamental Rule 83.*—The limit of four months laid down in sub-clause (a) of clause (7) of the rule shall be taken to mean '90 or 30 days as the case may be' and the term 'average pay' shall be taken to mean 'full pay'.

In sub-clause (b) of clause (7) of the said rule the terms 'half average pay' and 'average pay' shall be taken to mean 'half pay' and 'full pay' respectively and the 'period of average pay' to mean 'earned leave'. Half the amount of leave on full pay under the sub-clause shall be counted as earned leave taken for the purpose of Fundamental Rule 78 (b).

(b) *Fundamental Rule 83-A.*—The term ' four months ' in clause (iii) of this rule shall be taken to mean ' 90 or 30 days as the case may be ' and the term ' average pay ' to mean ' full pay '.

(c) *Fundamental Rule 83-B.*— In the case of officers governed by the Madras Leave Rules, 1933, the provisions contained in Fundamental Rule 83-B apply only to officers of non-Asiatic domicile recruited overseas for service in India and not to others.

(d) *Study leave rules under Fundamental Rule 84—(a) Rule 11.*—The term ' extra leave on half average pay ' occurring in this rule shall be taken to mean ' extra leave on half pay ', the term ' amount of leave on half average pay ' shall be taken to mean ' amount of unearned leave ' and the term ' under the Fundamental Rules ' shall be taken to mean ' under the Madras Leave Rules '.

(b) *Rule 12.*—During study leave, a Government servant shall draw half pay subject to the limits prescribed in the Madras Leave Rules. The term ' leave on average pay ' occurring for the second time in the rule shall be taken to mean ' earned leave ' under the Madras Leave Rules and the term ' during the first four months of a period of leave on average pay ' shown within brackets in this rule shall be taken to mean ' earned leave not exceeding 90 days '.

6. The following further instructions may be observed in regard to other rules in the Fundamental Rules and subsidiary rules mentioned below :—

(1) *Subsidiary rule 4 under Fundamental Rule 44.*—The orders of this Government in G.O. No. 251, Finance, dated 23rd April 1931, that leave on average pay not exceeding four months should be taken to mean ' earned leave not exceeding 90 or 30 days as the case may be ' will not cover the limits of four months laid down in sub rule 4 under Fundamental Rule 44 since the leave mentioned therein is not ' leave on average pay not exceeding four months ' but ' leave for a period not exceeding four months '. The limit of four months laid down in this rule is based on the maximum limit of leave on average pay which can be taken under the ordinary leave rules in the Fundamental Rules. Earned leave under the Madras Leave Rules is subject to the maximum of 90 or 30 days and this limit should be substituted for the limit of four months in applying this rule to persons governed by the Madras Leave Rules '.

(2) *Leave to apprentices.*—Subsidiary rule 3 under Fundamental Rule 104 regulates the grant of leave to apprentices. In the application of this rule to persons coming under the Madras Leave Rules, 1933 :

(a) The term ' leave on leave-salary equivalent to half average pay ' shall be taken to mean ' leave on half pay '.

If, however, the defects pointed out after a free inspection and asked to be rectified within a reasonable time, are not rectified and a further inspection becomes necessary, a fee equal to the initial fee shall be charged for such further inspection and fee equal to half the initial fee for any third or subsequent inspection.

(b) *Installations coming under Classes II, IV, V and VI of the schedule.*—If there be more than one inspection, examination or test in any official year only one fee shall be levied during that period.

(e) 'Kilovolt amperes' shall be read instead of 'Kilowatts' wherever the machinery or equipment is so rated.

4. All inspections made at the request of the owner shall be charged for and the prescribed fees shall be paid in advance.

5. The owner or licensee shall be officially notified of such points observed during inspection as are not in compliance with the Act and rules and except in cases where the inspection is done at the request of the owner, the owner or licensee shall be requested to rectify the defects within a reasonable time and to intimate the fact to the Electrical Inspector. 2. Tenders must be submitted in sealed covers, and should be addressed to the Executive Engineer, South Presidency Division, the name of the tenderer and the name of the work being noted on the cover.

If the tender is made by an individual, it shall be signed with his full name and his address shall be given. If it is made by a firm, it shall be signed with the co-partnership name by a member of the firm, who shall also sign his own name, and the name and address of each member of the firm shall be given. If the tender is made by a corporation, it shall be signed by a duly authorised officer who shall produce with his tender, satisfactory evidence of his authorisation. Such tendering corporation may be required, before the contract is executed, to furnish evidence of its corporate existence.

3. Each tenderer must pay, as earnest money, a sum of Rs. 500 (rupees five hundred only) into the branch of the Imperial Bank of India or into the Government treasury or sub treasury within the jurisdiction of the Executive Engineer concerned to the credit of Revenue Deposits on behalf of the Executive Engineer of the South Presidency Division and enclose with his tender the chalan endorsed accordingly. This earnest money will be refunded to the unsuccessful tenderer on application, after intimation is sent of rejection of the tender or at the expiration of two months from date of tender, whichever is earlier. The refund will be authorised by the Executive Engineer by suitable endorsement on the chalan. The earnest money will not be received in cash or currency notes by the Public Works Department Officers, save in exceptional cases, where there are no treasuries or banks within the jurisdiction of the officer calling for tenders. When currency notes are given, the tenderer should sign his name in full with date, on the back of all the currency notes given by him, whatever their denominations may be.

The earnest money will be returned in the case of the successful tenderer and will not carry any interest. It will be dealt with as provided in the tender.

4. When a tender is to be accepted, the tenderer whose tender is under consideration shall attend the Divisional office on the date fixed by written intimation to him. He shall forthwith upon intimation being given to him by the Executive Engineer of acceptance of his tender make a security deposit of Rs. 600 (rupees five hundred) only in one of the forms prescribed in the Madras Public Works Account Code and sign an agreement in the proper departmental form for the due fulfilment of the contract. This security deposit together with the earnest money and the amount withheld according to clause 53 of the standard preliminary specification of the Madras Detailed Standard Specifications will be retained as security for the due fulfilment of the contract. If a cash security deposit is made by the contractor he shall follow the procedure laid down in the preceding paragraph for payment of earnest money and such deposit will not bear interest. Failure to enter into the required agreement or to make the security deposit as defined in this paragraph shall entail forfeiture of the earnest money.

5. The tenderer shall examine closely the Madras Detailed Standard Specifications, and also the Standard Preliminary Specification contained therein, and sign the Divisional office copy of the Madras Detailed Standard Specifications and its addenda volume as token of such study before submitting his tender and rates which shall be for finished work in situ. He shall also carefully study the drawings and additional specifications and all the documents which form part of the agreement to be entered into by the accepted tenderer. The Madras Detailed Standard Specifications and other documents connected with the contract such as specifications, plans, descriptive specification sheet regarding materials, etc., can be seen at any time between 11 a.m. and 2 p.m. on office days, in the office of the Executive Engineer, South Presidency Division. A copy of the set of contract documents can also be had on payment of Rs. 5 (rupees five) only for each set.

6. The tenderer's attention is directed to the requirements for materials under the clause "Materials and workmanship" in the "Preliminary Specification." Materials conforming to the British Standard Specifications shall be used on the work, and the tenderer shall quote his rates accordingly.

7. Every tenderer is expected, before quoting his rates, to inspect the site of the proposed work. He should also inspect the quarries, and satisfy himself about the quality and availability of materials. The names of quarries, kilns, etc., wherefrom certain materials are to be obtained will be given in the Descriptive Specification Sheet. The best class of materials to be obtained from the quarries or other source defined shall be used on the work. In every case the materials must comply with the relevant standard specification. Samples of materials as called for in the standard specifications, or in the tender notice, or as required by the Executive Engineer in any case, shall be submitted for the Executive Engineer's approval before the supply to site of work is begun. If the contractor, after examination of the source of materials defined in the Descriptive Specification Sheet, is of opinion that materials complying with the standard or other specifications of the contract cannot be obtained in quality or sufficient quantity from the source defined in the Descriptive Specification Sheet, he shall so state clearly in his tender and state wherefrom he intends to obtain materials, subject to the approval of the Executive Engineer.

The Government will not, however, after acceptance of a contract rate pay any extra charges for lead or for any other reason, in case the contractor is found later on to have misjudged the materials available. Attention of the contractor is directed to the standard "Preliminary Specification" regarding payment of seigniorage, tolls, etc.

8. The tenderer's particular attention is drawn to the sections and clauses in the standard "Preliminary Specifications" dealing with—

(1) test, inspection and rejection of defective materials and work;
(2) carriage;
(3) construction plant;
(4) water and lighting;
(5) cleaning up during progress and for delivery;
(6) accidents;
(7) delays; and
(8) particulars of payment.

The contractor should closely peruse all the specification clauses which govern the rates which he is tendering.

9. A schedule of quantities accompanies this tender notice. It shall be definitely understood that the Government does not accept any responsibility for the correctness

or completeness of this schedule, and that this schedule is liable to alterations by omissions, additions, or additions at the discretion of the Executive Engineer, South Presidency Division, as set forth in the conditions of contract. The tenderer will, however, base his lump-sum tender on the schedule of quantities. He should quote specific rates for each item in the schedule, and the rates should be in rupees, annas and in sums of three pies. The rates should be written both in words and figures and the totals in words. The tenderer should also show the totals of each item and the grand total of the whole contract, and quote in the tender a lump sum for which he will undertake to do the whole work subject to the conditions of contract. This schedule accompanying the lump sum tender shall be written legibly and free from erasures, overwritings or corrections of figures. Corrections, where unavoidable, shall be made by crossing out, initialing, dating and rewriting.

10. Tenders offering a percentage deduction from or increase on the estimate amount, and those not submitted in proper form or in due time will be rejected. Rates or lump-sum amounts for items not called for shall not be included in the tender. No alteration which is made by the tenderer in the contract form, the conditions of contract, the drawings, specifications, or quantities accompanying same will be recognised; and, if any such alterations are made, the tender will be void.

11. The tenderer should work out his own rates, without reference being made to the Public Works Department current schedule of rates or to the Public Works Department estimate rates which are not open for inspection by tenderers.

12. The price at which and the source from which certain particular materials shall be obtained by the contractor are given at the end of the schedule accompanying the tender form. Tenderers must accept the material at those prices, and shall quote their price for finished work accordingly. Notwithstanding any subsequent change in the market value for these materials, the charge to the contractor will remain as originally entered in the written contract. No cartage or handling charges will be borne by Government in connexion with the supply.

13. The attention of the tenderer is directed to the contract requirements as to the time of beginning work, the rate of progress, and the dates for the completion of the whole work and its several parts. The following rate of progress and proportionate value of work done from time to time, as will be indicated by the Executive Engineer's certificates of the value of work done, will be required. Date of commencement of this programme will be the date on which the site (or premises) is handed over to the contractor.

For the first date of commencement	Percentage of work carry ing (Limit on contract price) to be attained.
Three months ...	100 per cent.

14. No part of the contract shall be sublet without written permission of the Executive Engineer nor shall transfer be made by power-of-attorney authorising others to receive payment on the contractor's behalf.

15. If further necessary information is required, the Executive Engineer of the Division will furnish such, but it must be clearly understood that tenders must be received in order, and according to instructions.

16. The Executive Engineer or other sanctioning authority reserves the right to reject any tender or all the tenders without assigning any reason therefor.

17. The qualification of the supervising staff employed by the contractor in the execution of the work will be given due consideration in awarding the contract. The tenderer should therefore state in clear terms, whether they employ such technical staff and, if so, to give the qualifications of such staff and the extent to which they will be employed on the work.

GOVERNMENT OF INDIA.

LEGISLATIVE ASSEMBLY DEPARTMENT

The following Bill was introduced in the Legislative Assembly on the 16th February 1935.—

L.A. BILL No. 11 OF 1935

A Bill further to amend the Code of Civil Procedure, 1908, for certain purposes.

V of 1908. WHEREAS it is expedient further to amend the Code of Civil Procedure, 1908, for the purposes hereinafter appearing; It is hereby enacted as follows:—

1. This Act may be called the Code of Civil Procedure (Third Amendment) Act, 1935 Short title.

Amendment of section 60 Act V of 1908.

2. In the proviso to sub-section (*3*) of section 60 of the Code of Civil Procedure, 1908,—

(*a*) for clauses (*b*) and (*c*) the following clauses shall be substituted, namely :—

"(*b*) the wages of labourers and domestic servants, whether payable in money or in kind, and salary, if the amount payable in money does not exceed one hundred rupees monthly;

(*c*) the salary of any public officer or of any servant of a railway company or local authority to the extent of the first hundred rupees and one-half the remainder of such salary:

Provided that where the whole or any part of the portion of such salary liable to attachment has been under attachment whether continuously or intermittently for a total period of twenty-four months in execution of one or more than one decree, such portion shall finally cease to be liable to attachment in execution of such decree or decrees and shall not be liable to attachment in execution of any other decree until the expiry of a further period of twelve months; ";

(*b*) in clause (*k*), for the figures "1897" the figures "1925" shall be substituted,

(*c*) for clause (*l*) the following clause shall be substituted, namely :—

"(*l*) any allowance forming part of the emoluments of any public officer or of any servant of a railway company or local authority which the Governor-General in Council may by notification in the *Gazette of India* declare to be exempt from attachment, and any subsistence grant or allowance made to any such officer or servant while under suspension; ", and

(*d*) the *Explanation* at the end shall be re-numbered as *Explanation 1* and, after the *Explanation* as so re-numbered, the following *Explanation* shall be added, namely :—

"*Explanation 2*.—In clauses (*h*) and (*i*), 'salary' means the total monthly emoluments, excluding any allowance declared exempt from attachment under the provisions of clause (*l*), derived by a person from his employment whether on duty or on leave."

Retrospective effect.

3. The amendments made by section 2 shall have effect in respect of any proceedings arising out of any suit instituted on or after the first day of February, nineteen hundred and thirty-five.

STATEMENT OF OBJECTS AND REASONS

The Royal Commission on Labour drew attention to the indebtedness prevailing among certain classes of workers, and expressed the view that this was due mainly to the credit enjoyed by them and the facilities afforded to creditors by the law relating to the attachment of salaries. With a view to reducing credit, the Commission recommended that wages and salaries of workmen receiving less than Rs. 300 a month should be entirely exempted from attachment. Enquiries made by the Government of India in consultation with Local Governments afford justification for action on the lines suggested by the Commission and in particular reveal a serious state of indebtedness among certain classes of Government employees. The Government of India, therefore, propose to amend section 60 of the Civil Procedure Code to provide—

(1) that salaries, not exceeding Rs. 100 a month, of all workers should be totally exempt from attachment,

(2) that the pay of servants of Government, Railway Companies and local authorities getting more than Rs. 100 a month should be exempt to the extent of the first Rs. 100 and one-half of the remainder, and

(3) that while the attachable portion of the pay of servants of Government, Railway Companies and local authorities should remain as at present liable to continuous attachment the period of attachment should be restricted as follows, viz., that after a judgment-debtor's pay has been attached for a total period of two years (in one or more periods) no further attachment should be possible in favour of the same decree or in favour of any other decree until twelve months have elapsed.

The Bill seeks to give effect to these proposals. It also takes away the privileged position of Co-operative Societies under the proviso to sub-clause (iii) under clause (i) of the proviso to sub-section (1) of section 60 of the Code as in the opinion of the Government of India it is unnecessary to continue that privilege.

2. Under sub-clause (4) of the proviso to sub-section (1) of section 60 of the Code of Civil Procedure, 1908, leave allowances if less than salary are exempt from attachment, but under sub-clause (5) leave allowances, if equal to salary on duty, are liable to attachment. It was the introduction of time scales of pay in the Services, that has created an anomalous position for if an officer drawing pay on a time scale proceeds on leave before reaching the maximum of the scale, the whole of his leave allowance, being less than his salary on duty, is exempt from attachment, while if he goes on leave after drawing the maximum pay of the scale for over a year, the whole of his leave allowance, being equal to his salary on duty, would be liable to attachment. It is accordingly proposed to place leave allowances and salary on duty in exactly the same position as regards attachment. At the same time the Bill gives to the Governor General in Council power to exempt certain allowances from attachment, the object being to enable him to exempt certain compensatory allowances granted for specific purposes.

3. The Bill also provides that the amending legislation shall apply to all suits instituted on or after February 1, 1935.

STATEMENT OF OBJECTS AND REASONS.

The object of this Bill is to provide for the employment of Indian tonnage in the coastal traffic of British India and of the Continent of India. This Bill is intended to serve as a powerful aid to the rapid development of an Indian Merchant Marine. Several attempts made in this direction in the past have all practically failed, owing, it is believed, to the existence of powerful non-Indian interests in the coasting trade of India. There can be no doubt that the growth of an Indian Merchant Marine would prove a powerful factor in the employment of Indian talent in various directions in a manner calculated to advance the national interests of India.

This Bill was introduced in the last Assembly by Mr. Sarabhai N. Haji, M.L.A., and was referred to a Select Committee whose report was presented to the House. The Bill then lapsed owing to the dissolution of the Assembly. The draft of the Bill now submitted is the same as was approved by the Select Committee.

ZIAUDDIN AHMAD.

Cf. S. S. 142.

STATEMENT OF OBJECTS AND REASONS.

1. The Income-tax Act was for the first time enacted in 1886, when it was said that a sum of about a crore of rupees was required owing to the deficit Budget created by the unusual outlay on the Burmese War and the sudden depreciation of silver. The tax was intended to be a temporary one. But it has since remained and now realises over twenty times that amount. Similarly, the super-tax levied as a war measure has been made permanent. But the procedure for the levy of both is antiquated and summary and places an undue power in the hands of the assessing authorities who have been given the final right of hearing the so-called appeal of the assessee.

2. Income and super-tax is more appropriate to creditor countries and to those in which commercial and industrial enterprise has led to the accumulation of capital from which the State may justly claim a share. But in a country primarily agricultural in which capital is naturally shy and commercial and industrial enterprise comparatively recent and in a state of infancy, the State should be loth to tax at least over-tax the circulation of capital, but this is now possibly a counsel of perfection.

3. The intention of this Bill is therefore, merely to remove the most glaring of defects in the method of assessment and its control leaving a future reformed rectifying the obvious wrong of a double super-tax and other anomalies from which the payers of income-tax suffer.

4. For the present it is intended to bring the assessors under some popular and judicial control and partially redress the just major grievances of the assessee.

It is hoped that the Bill will receive general support and in some measure ameliorate the harshness and rigour of a taxing measure whose unpopularity has been pronouncedly increased by the mode and manner of its administration.

FAKIR CHAND.

NOTES ON CLAUSES.

Clause 2.—In England the collecting agency is an independent body of patriotic citizens who levy the tax and hear appeals from the assessor's valuation and are generally entrusted with the administration of the Act; the result being that the tax, odious though it is, does not gain in its odiousness by its administration by the very persons interested in its collection.

(2) Under S. 57 of the English Tax Act, 1918, now in force, the income-tax is levied by the commissioners of Inland Revenue whose number ordinarily varies from 3 to 7 (S. 59) but which may be increased to 14 (b, S. 59). They are appointed for specified cities or divisions and possess the sole power to assess, collect and levy the income-tax (b, S. 64) and hear appeals against assessment (b, S. 173). Such commissioners are generally drawn from well-to-do classes. For special cases special commissioners are appointed and they possess the same right as general commissioners (b, S. 67).

The general commissioners appoint assessors for one year (*ib.* S. 76), and the collector of taxes (*ib.* S. 80).

(3) If the English procedure were followed, the whole Act would have to be recast. It is not the intention of the present Act to do more than introduce an element of impartibility in the assessment of income-tax by providing that the assessor shall act with the concurrence of three or more assessors and that all appeals against his assessment shall lie to a Court unconnected with the assessing department. This is the barest justice to the assessee who is entitled to much more and not anything else.

(4) The English law allows three appeals against an assessment—*first* to the special commissioners, *secondly* to the Recorder or County Court Judge and *thirdly* to the High Court (SS 147-169). Under the Bill, if passed, provision is made only for a single appeal, but the High Court has been given the general power of revision which it possesses in all civil and criminal cases. In England the appeals lie to special commissioners. The Bill embodies the general spirit of the English Act, though it does not adopt its machinery.

The following Bill * was introduced in the Legislative Assembly on the 27th February 1935:—

LA. BILL No. 14 OF 1935.

STATEMENT OF OBJECTS AND REASONS.

We are supposed to be on the eve of great constitutional changes taking us towards Responsible Government. Responsible Government implies the right of all citizens, and especially of minorities, to express their opinions freely, and the recognition of their fundamental rights to freedom of person and property. At present there exist in the Statute Book in this country, various laws which are inconsistent with the fundamental rights of the citizens. That "prince among repressive laws" namely section 124-A of the Indian Penal Code is so widely worded, that it may be used, under a so-called system of Responsible Government, to suppress all opposition to a party in power. But, responsible Parliamentary Government requires that the opposition should be able to criticise freely the party in power and, if possible, to create disaffection against it and dislodge it from power. So long as criticism of an existing Government is not calculated to promote violence or public disorder, there is no reason why it should be suppressed. The recent history of political agitation in this country has demonstrated the abuse of the provision in section 144 of the Criminal Procedure Code, for purposes of suppressing legitimate political agitation. It should be confined, if it should continue on the Statute Book at all, to its legitimate purpose of preventing danger to human life or serious disturbance of public tranquility. The Old Regulations of 1818, 1819 and 1827 have, in recent years, been unearthed for the purpose of detaining prisoners without trial, for indefinite periods, without any charge and without the possibility of a resort to Courts for a Writ of Habeas Corpus. Numerous other Acts have also been passed in recent years, some embodying the provisions of temporary Ordinances enacted by His Excellency the Governor General for dealing with the non-co-operation movement, as permanent measures on the Statute Book. They are highly detrimental to the free expression of opinion, and even to the lawful carrying on of the ordinary avocations of peaceful citizens. For many years past, there has been a strong agitation in this country for the repeal of various repressive laws, and in 1921, in pursuance of certain recommendations made by a Committee called the Repressive Laws Committee, the Government themselves undertook to repeal them. It is necessary to inaugurate a democratic form of Government in this country, by a clear recognition of the fundamental

rights of its citizens to ordinary freedom of person and expression of public opinion, where it does not come into conflict with the lives of citizens or the tranquillity of the State. Several attempts have been made in the past for repealing these laws, but so far they have not been successful. It is high time that these laws are removed from the Statute Book. Hence this measure.

S. SATYAMURTI.

The following Bill was introduced in the Legislative Assembly on the 27th February 1935:—

L.A. BILL No. 15 OF 1935.

A Bill further to amend the Code of Criminal Procedure, 1898.

V of 1898. WHEREAS it is expedient further to amend the Code of Criminal Procedure, 1898; It is hereby enacted as follows:—

Short title. 1. This Act may be called the Code of Criminal Procedure (Amendment) Act, 193 .

V of 1898. 2. In section 167 of the Code of Criminal Procedure, 1898— Amendment of section 167, Act V of 1898.

(i) in sub-section (1), before the words "such Magistrate" the words "the place where" shall be inserted and after the words "such Magistrate" the words "ordinarily holds his Court" shall be added; and

(ii) in sub-section (2) after the words "this section" the words "after hearing the accused or his counsel if the accused so desires" shall be inserted.

STATEMENT OF OBJECTS AND REASONS.

Section 167 of the Code of Criminal Procedure is intended to provide for the necessity of obtaining remand of the accused to custody, so that the police may be enabled to complete the investigation. The Magistrate is required to give reasons for granting the remand. The accused has a right in justice to place his side of the case before the Magistrate, before the reasons given by the Police are accepted by the Magistrate. Every person charged with an offence is presumed to be innocent till he is convicted of the crime with which he is charged. Hence the detention before conviction should be as short as can conveniently be made. The accused is entitled to be placed on his trial at the earliest moment and should not unnecessarily be detained in custody. Hence it is in the interest of justice that the accused should have a right to be heard before he is remanded. There have been several cases during the recent years where the accused were not brought to the Court before the Magistrate for obtaining the remand. The Magistrate was instead taken to the place where the accused was detained. Without giving an opportunity to the accused to be heard, the Magistrates often pass orders of remand after hearing the police side of the case alone. This is not in accordance with the principles of justice. Hence the present amendment is necessary in order to make it obligatory on the part of the investigating authorities to produce the accused before the Magistrate in a calm and solemn atmosphere of Court before any order of detention is passed.

The 29th December 1934. SANT SINGH.

The following Bill was introduced in the Legislative Assembly on the 27th February 1935:—

L.A. BILL No. 16 OF 1935.

A Bill further to amend the Specific Relief Act, 1877.

I of 1877. WHEREAS it is expedient further to amend the Specific Relief Act, 1877, for a certain purpose; It is hereby enacted as follows:—

Short title. 1. This Act may be called the Specific Relief (Amendment) Act, 193 .

Amendment of section 45, Act I of 1877.

2. In section 45 of the Specific Relief Act, 1877 (hereinafter referred to as the said Act),— I of 1877.

(a) for the words "Any of the High Courts of Judicature at Fort William, Madras, Bombay and Rangoon" the words "Any High Court established by Letters Patent" shall be substituted;

(b) for the words "within the local limits of its ordinary original civil jurisdiction" the words "within limits of its appellate civil jurisdiction" shall be substituted, and

(c) in clause (*f*) of the proviso, for the words occurring after the words "on the Governor General in Council" the words "or the Governor in Council of any Governor's Province in British India" shall be substituted.

Amendment of section 46, Act I of 1877.

3. In section 46 of the said Act, for the word "ordinary" the word "appellate" shall be substituted.

STATEMENT OF OBJECTS AND REASONS.

Section 491 of the Criminal Procedure Code previously enabled any of the High Courts of Judicature at Fort William, Bombay or Madras to issue Writs of the nature of *Habeas Corpus*. In 1923, this section was amended to allow all High Courts to issue a Writ of *Habeas Corpus*.

Section 45 of the Specific Relief Act similarly enables any of the said High Courts at Calcutta, Bombay, Madras and Rangoon to issue Writs of the nature of Mandamus within the limits of their ordinary original civil jurisdiction. The reasons for allowing other High Courts to exercise this power in cases falling under section 45 are just as strong if not stronger as they were in the case of section 491 of the Criminal Procedure Code.

It is, therefore, proposed to extend the power to issue Writs of the nature of Mandamus under section 45 of the Specific Relief Act to all High Courts established by Letters Patent by His Majesty. This will bring about uniformity of law in such areas in British India as are subject to the appellate jurisdiction of Chartered High Courts.

FAKIR CHAND.

The following Bill was introduced in the Legislative Assembly on the 21th February 1935.—

L A. BILL No. 17 OF 1935.

A Bill further to amend the Code of Criminal Procedure, 1898.

WHEREAS it is expedient further to amend the Code of Criminal Procedure, 1898; It is hereby enacted as follows:— V of 1898.

Short title.

1. This Act may be called the Code of Criminal Procedure (Amendment) Act, 193 .

Amendment of section 205, Act V of 1898.

2. In sub-section (1) of section 205 of the Code of Criminal Procedure, 1898, for the words "Whenever a Magistrate issues a summons, he may," the words "A Magistrate may," shall be substituted. V of 1898.

STATEMENT OF OBJECTS AND REASONS.

Cases have arisen where justice demanded that the personal appearance of the accused be dispensed with, but section 205, Criminal Procedure Code, stood in the way. The Courts had to circumvent these provisions by adopting the procedure of first cancelling the warrants and then ordering the issue of the summons in order to make the section cover the case. The proposed amendment will bring the law in conformity with the established practice.

The 25th December 1934. SANT SINGH

The following Bill was introduced in the Legislative Assembly on the 27th February 1935 :—

L.A. BILL No 18 OF 1935.

A Bill further to amend the Code of Criminal Procedure, 1898.

V of 1898. WHEREAS it is expedient further to amend the Code of Criminal Procedure, 1898; It is hereby enacted as follows :—

Short title. 1. This Act may be called the Code of Criminal Procedure (Amendment) Act, 193 .

V of 1898. Amendment of section 386, Act V of 1898. 2. In the proviso to sub-section (*f*) of section 386 of the Code of Criminal Procedure, 1898, the words "unless for special reasons to be recorded in writing it considers it necessary to do so" shall be omitted

STATEMENT OF OBJECTS AND REASONS.

The amendment of section 386 is intended to do away with a hardship. If the Magistrate thinks that the accused is rich enough to pay fine, he need not pass a sentence of imprisonment in default of fine while if the accused, in the opinion of the Magistrate, is unable to pay the fine he should order imprisonment in default. In case the accused undergoes this sentence, he should not be further harassed by attachment of his property otherwise the provision involves a double penalty.

PART III.

Adaptation of The Indian Income-tax Act, 1922, to provide for the withholding of payment of income on total incomes of Rs. 2,000.

1. The Income-tax Officer may, save where he has served a notice under sub-section 2 of section 23 of the Indian Income-tax Act, 1922, make a summary assessment of the income of an assessee to the best of his judgment, and shall serve on the assessee a notice of demand in a form to be prescribed by the Central Board of Revenue, and such notice shall be deemed to be a notice of demand under section 29 of that Act.

2. Any assessee in respect of whom such summary assessment has been made, may, within thirty days of receipt of the notice of demand, make an application to the Income-tax Officer for the cancellation or revision of the assessment, and the Income-tax Officer may, after examining any accounts and documents and hearing any evidence which the assessee may produce, and such other evidence as the Income-tax Officer may require, determine, by order in writing, the amount of the tax, if any, payable by the assessee, and such determination shall be final:

Provided that, if any assessee making such application files therewith a return of his income under sub-section (2) of section 22 of the Indian Income-tax Act, 1922, the application shall be deemed to be a return under that sub-section and shall be dealt with accordingly.

3. A copy of an order under paragraph 2 shall be served on the assessee to whom it relates and shall be deemed to be a notice of demand under section 29 of the Indian Income-tax Act, 1922.

4. The above procedure shall apply also to the assessment and collection during the financial year 1933-34 of incomes of Rs. 1,000 and upward and less than Rs. 2,000 which have escaped assessment in the financial year 1934-35.

STATEMENT OF OBJECTS AND REASONS.

The object of this Bill is to continue for a further period of one year certain duties and taxes imposed under the Indian Finance Act, 1934, which would otherwise cease to have effect from the 1st April 1935, to reduce the income-tax on incomes of Rs. 1,000 or upwards but less than Rs 2,000, to reduce the surcharges on income-tax and super-tax, to reduce the import and excise duties on silver, and to abolish the export duty on raw skins.

2. Clauses 3 and 4 provide for the continuance for a further period of one year of the existing provisions regarding salt duty and inland postage rates. The duty of Rs. 1-4-0 per maund on salt remains liable to the additional duty imposed under section 5 of the Indian Finance (Supplementary and Extending) Act, 1931.

3. Clause 5 provides for the reduction of the import duty on silver from five annas per ounce to two annas per ounce and for the abolition of the export duty on raw skins.

4. Clause 5 provides for the continuance for a further period of one year of the existing rates of income-tax and super-tax with the following alterations:—

(a) the rate of income-tax when the total income is Rs. 1,000 or upwards but is less than Rs 1,500 is reduced from two pies to 1½ pies;

(b) the rate of income-tax when the total income is Rs. 1,500 or upwards, but less than Rs 2,000 is reduced from four pies to 2½ pies; and

(c) the surcharges on income-tax and super-tax are reduced from one-fourth to one-sixth.

As it is proposed to retain the tax on incomes of Rs. 1,000 and upwards but below Rs. 2,000 per annum at a reduced rate, clause 5 (4) provides for the continuance of the existing procedure for the assessment of such incomes which has already been approved by the Legislature.

Clause 5 (5) provides that incomes from salaries and interest on securities should be finally taxed for purposes of income-tax and not super-tax at the rates applicable to a total income of like amount which was in force at the time when the taxation at source on these incomes took place; otherwise salary earners, for example, will be able not only to secure the advantage of reduced rates during 1935-36 but also to obtain a refund of part of the tax which had been deducted from their salaries during 1934-35. It also makes a similar provision for purposes of refunds under sub-section (1) or sub-section (3) of section 48 in respect of dividends declared in the year ending 31st March 1935, or of payments made in the said year of salaries or of interest on securities. These provisions form the counterpart of a concession that has been allowed from time to time in the past when rates of income-tax were being enhanced.

7. Clause 6 provides for the reduction of the excise duty on silver corresponding to the reduction in import duty.

8. The reasons for making the above changes have been fully explained in my budget speech.

The 28th February 1935 P. J. GRIGG.

ഉദ്ദേശകാരണങ്ങളുടെ വിവരണം.

അനുഭവത്തിൽ തൃപ്തികരമായിക്കണ്ട ചില ചില്ലറ ഭേദഗതികൾ 1882 ലെ മദിരാശി മലങ്കാട് ആക്ടിൽ വരുത്തുകയാണു് ഈ

ബില്ലിന്റെ ഉദ്ദേശ്യം. ഉദ്ദേശിച്ചിരിക്കുന്ന ഭേദഗതികൾ ഓരോന്നിനെയും ആവശ്യം ഇന്നതെന്നു താഴെ വിവരിച്ചിരിക്കുന്നു:—

2 - ാം ഖണ്ഡം.—ചില വർത്തമാനപത്രങ്ങളുടെ അതിരുകടന്ന ഭാഷയിലെ വിഷയങ്ങൾ വിവരിച്ചുകാണിക്കേണ്ടതു ആവശ്യമാണെന്നു കണ്ടിരിക്കുന്നു. കാരിക്കൂർ അതിരുകടന്നതായതൊന്നു ഖിലത്തിലും പിസ്ത്രുമാക്കുകയോ മാറ്റുകയോ ചെയ്യുവാൻ ഉദ്ദേശിച്ചിട്ടുള്ളതല്ല. ആകയിലെ 4 മുതൽ 16 വരെ വകുപ്പുകളിൽ നിയമിച്ചിട്ടുള്ള സംവിധാനം നടപടി അനുസരിച്ചുനടക്കുന്നതു തികച്ചും അനാവശ്യമായിട്ടുള്ളതാണു്. ഇപ്പോൾ നിലവിലിരിക്കുന്ന ആക്ടു് പ്രകാരം അതിനെയുള്ള പരസ്യങ്ങൾ പുറപ്പെടുവിക്കുവാൻ ഗവർണ്മെന്റിനു അധികാരമുണ്ടോ എന്ന കാര്യം സംശയഗ്രസ്തമാണു്. ഈ വ്യവസ്ഥ ഈ സംശയം തീർക്കുന്നു.

3 - ാം ഖണ്ഡം.—32 - ാം വകുപ്പു് (1) എന്ന ഖണ്ഡപ്രകാരം കോടു് മുനിസിപ്പാലിറ്റിയിൽ നിക്ഷിപ്തമാക്കപ്പെട്ട അർദ്ധം കല്ലാതെ മറ്റു വല്ല അർപ്പണം ഒരു മലബാർ മുനിസിപ്പാലിറ്റിയുടെ അധികാരങ്ങൾ നടപ്പാക്കുന്നതിനു ആകെ അനുവദിക്കുമോ എന്നു സംശയമാണു്. 32 - ാം 33 - ാം വകുപ്പുകൾ പ്രകാരം പ്ലാനുപിപ്പിച്ചിരിക്കുന്ന ആകയിലെ വല്ല നിബന്ധനകൾ പ്രകാരം ഒരു മലബാർ മുനിസിപ്പാലിറ്റിയുടെ അധികാരങ്ങൾ നടത്തുന്നതിനു ആരെയെങ്കിലും നിയമിക്കുവാൻ താലൂക്കുബോർഡിനു അധികാരമുണ്ടെന്നു 34 - ാം വകുപ്പിനോടു പുതുതായി ചേർത്ത വാചകംകൊണ്ടു വ്യക്തമാക്കുന്നു.

4 - ാം ഖണ്ഡം.—41-ാം, 43-ാം വകുപ്പുകളിൽ ഉപയോഗിച്ചുകാണുന്ന "വണ്ടികൾ" എന്ന പദത്തിൽ നാടൻ വണ്ടികൾ, അതായതു് സ്പ്രിങ്ങുകൾ പിടിപ്പിക്കാത്ത വാഹനങ്ങൾ, മാത്രം ഉൾപ്പെടുന്നതായി വ്യാഖ്യാനിക്കുവാനുണ്ടു്.—1920 ലെ (1920 ലെ 5 - ാം നമ്പർ) മദിരാശി ഡിസ്ട്രിക്ട് മുനിസിപ്പാലിറ്റി ആക്ടു്, 3 (6) എന്ന വകുപ്പു് നോക്കുക. മോട്ടോർവണ്ടിപ്രകാരമുള്ള വ്യാഖ്യാനത്തിനു ഇടകൊടുക്കാതിരിപ്പാൻ വേണ്ടി 'വാഹനങ്ങൾ' എന്ന സാമാന്യമായ പദം ഉപയോഗിക്കുന്നതു ആവശ്യമാണു്.

5 - ാം ക്ലോസ്.—41 - ാം വകുപ്പുപ്രകാരം പിടിക്കപ്പെട്ടതും വേഗത്തിലും സ്വാഭാവികമായും കേടുവരുവാനിടയുള്ളതുമായ ഉത്തൽ 46-ാം വകുപ്പുപ്രകാരം ജഡ്ജിസ്യൂട്ടിന്റെ കല്പന കിട്ടിയാൽ മാത്രമേ ഇപ്പോഴും, വില്ക്കുവാൻ പാടുള്ളൂ. എന്നാൽ എല്ലാ സംഗതികളിലും ജഡ്ജിസ്യൂട്ടിന്റെ കല്പനകൊണ്ട് തക്ക സമയത്തു കിട്ടുവാൻ സാദ്ധ്യമല്ലെന്നുവരാം. അതിനാൽ ജഡ്ജിസ്യൂട്ടിന്റെ കല്പനകൊണ്ട് തക്കസമയത്തു കിട്ടുവാൻ തരമില്ലാത്തപക്ഷം, ഉത്തൽ വില്ക്കുന്നതിനും അതു പിടിച്ചെടുക്കുന്നതിനും മജിസ്ട്രേട്ടന്നും അധികാരം നല്കുവാൻ തക്കവണ്ണം 46 - ാം വകുപ്പ് ഭേദഗതിചെയ്യേണ്ടിയിരിക്കുന്നു. അങ്ങിനെ വിറ്റു കിട്ടുന്ന സംഖ്യകളെക്കൊണ്ട്, പിടിച്ചെടുത്ത ഉത്തൽ വിറ്റിരുന്നില്ലെങ്കിൽ അതുതിനെക്കൊണ്ട് ഏതുപ്രകാരം പ്രവർത്തിക്കുമായിരുന്നുവോ അതുപ്രകാരം തന്നെ പ്രവർത്തിക്കേണ്ടതുമാകുന്നു.
